

Hair color Instructions

Step 1: Start with putting on gloves to protect from color. Older clothes or a button up is recommended to make rinsing color easier or less messy.

Step 2: Use included butter knife to scrape hair color into hair color bowl

Step 3: Scrape all of the developer into the same hair color bowl

Step 4: Mix color with whisk until COMPLETELY smooth, with no lumps

Step 5: Apply color at root with brush

Step 6: After applied, let process for 30-35 minutes

Step 7: Rinse color. Shampoo with included shampoo.

Step 8: Use post-color treatment as conditioner and let sit for 5-10 minutes.

Step 9: Rinse out thoroughly, dry and style as usual
